*"Here's to the crazy ones.
The misfits, rebels, the troublemakers.
The square pegs in round holes.
The ones who see things differently.
They're not fond of rules and
have no respect for the status quo.
You can quote them, disagree with
them—glorify or vilify them.
About the only thing you can't do,
is ignore them.
Because they change things, they push
the human race forward.
And while some may see them as
the crazy ones,
we see genius.
Because the people who think
they are crazy enough
to change the world
...are the ones who do."*
